VENUS Growers gathers and process mainly clingstone peaches and secondly pears.

The processed fruits are sold almost solely to the foreign markets and especially to markets that require high quality standards (EU countries, Japan, UK, North America etc)

The product portfolio includes the followings:

1. CANNED PEACHES

Canned Peach Halves, Slices, Dices e.t.c, in different types of packing medium (Light Syrup, Heavy Syrup, Fruit Juice, Puree, Water) and in different qualities (Fancy, Choice, Standard).

2. CANNED PEARS

Canned Pear Halves, Dices e.t.c, in different types of packing medium (Light Syrup, Heavy Syrup, Fruit Juice, Water) and in different qualities (Fancy, Choice, Standard).

3. CANNED FRUIT COCKTAIL, FRUIT SALAD

Fruit Cocktail or Salad, in different qualities (Fancy, Choice, Standard), in different types of packing medium (Light Syrup, Heavy, Fruit Juice, Water) and with different compositions (depending on customers' requirements).

Our canned products can be packed in all possible ways, depending on customers' requirements.

Up to now, a list of used pack sizes is:

220g (8oz) – Normal, Ring Pull tin

425ml – Normal, Ring Pull or Necked tin

850ml – Normal, Ring Pull or Necked tin
